

Model : **CONVERTX** ULTRASONIC SERIES

- 24V/1.5W | 12V/1.8W**
Efficient Power
Low power consumption with high brightness
- 175°**
Beam Angle
Wide and uniform light coverage
- Semi Frosted Semi Crystal Lens Type**
Diffused, bright illumination
- Low Wattage High Brightness**
More brightness, less power

Model : **CONVERTX** ULTRASONIC SERIES

Colour	CCT	Warranty	Luminous	Dimensions	Operation Temp.	IP Rating	Wire Length
BW CW PW NW WW RED	14K 10K 65K 40K 30K	5 Years	200-260lm	72*15*8	-20°- 60°C	IP65	80mm (3.15inch)

Model : **CONVERTX** Mini SERIES

Colour	CCT	Warranty	Luminous	Dimensions	Operation Temp.	IP Rating	Wire Length
CW PW NW WW R G B Y	14K 10K 65K 40K 30K	3 Years	70lm	29*9*8	-20°- 60°C	IP65	40mm

FEATURES :

- Three super bright genuine 2835 **EPISTAR** (12V) & **LUMILED** (24V) certified LEDs in each module. (LED : 2835 Type)
- Quick installation through double sided VHB tape.
- High efficiency led lighting products with less consumption of energy, more brightness
- SMD LED mounted : Made in India
- Max 20(Ultrasonic) & 30(Mini) modules in series
- LED Driver: Constant Voltage Driving System
- Fabricated with a wide-angle 175° Spectrum lens.

CONVERTX

Product by Navkaar LED

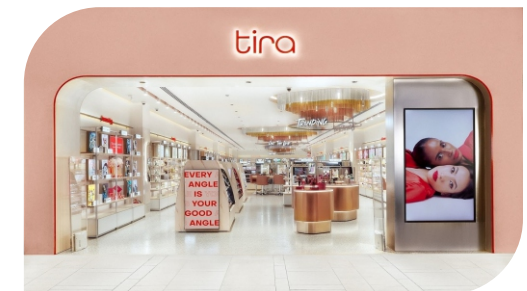

Model : **CONVERTX** Mini SERIES

- 12V | 0.72W**
Efficient Power
Low power consumption with high brightness
- 160°**
Beam Angle
Uniform light coverage
- Frosted Lens For Minimum Depth**
Diffused & bright illumination
- Low Wattage High Brightness**
More brightness, less power

Trusted By Leading Brands

Suitable for minimum depth letter.
